### Last Week's Election.

Following is the complete returns from all Precincts of the county:

State Road Bonds:	
For .....	151
Against .....	424
Confederate Pensions:	
For .....	327
Against .....	248
Prison Profits:	
For .....	182
Against .....	381
Galveston Bonds:	
For .....	344
Against .....	218
Local Tax Limits:	
For .....	113
Against .....	451
University:	
For .....	119
Against .....	424
Convention:	
For .....	115
Against .....	354
Representative 116th District:	
Morris .....	209
Naegelin .....	384

From the above it will be seen that all the amendments, with the exception of the Galveston bond amendment, were badly defeated in this county. Just why anyone should have voted against the Galveston amendment is inconceivable, as Galveston merely asked the privilege of taxing herself above the present constitutional limit to provide protection against overflow from the waters of the gulf in case of storm, and its adoption would not have added one penny to the taxes of any one living outside the Galveston district. As will be seen, the local tax limit amendment met the greatest defeat at the hands of the Medina county voters.

In the race for representative of the 116th district W. F. Naegelin received a majority of 175 votes over G. C. Morris in this county, but Morris received a majority of several hundred in the district, but the exact figures are not yet available.

A very light vote was polled in this county, only about one-third of the voters of this county exercising their rights at the polls. The same condition seems to have prevailed throughout the entire district.

### Notice.

At the regular November Term of the Commissioner's Court of Medina County, Texas, it was brought to the attention of the court that a large number of automobile owners in said county have failed to pay their auto license tax as required by law. The law provides a penalty on all automobile owners who fail to pay such tax.

One half of the money derived from such tax is paid the respective county to be used in the maintenance of the State Highways, and it therefore devolves upon the commissioner's court of each county to see that each person owing such tax shall pay same.

Notice is therefore respectfully given to all such persons who have failed to pay said tax for the year 1919 that unless it is paid by Jan. 1, 1920 it will be necessary to enter prosecutions for such violation of the law. The payment of said tax by the great majority of automobile owners and the failure to pay by others is working an injustice on those who do pay.

It was further ordered by the court that those persons desiring to pay cash in lieu of working five days on the county roads each year may do so by paying \$5.00 on or before Jan. 1st, 1920.

### State Dep't. of Education.

Austin, October 1, 1919.

Supt. W. N. Saathoff, Hondo, Texas: Dear Sir:

This is to advise that state aid under the Two Million Dollar Rural Aid Law, has been conditionally approved, by the Department of Education, for schools in your county, as per statement herewith.

By "conditionally" is meant that the final approval of these amounts of aid will depend upon how well the schools separately have met the requirements as stated in the rural school law, when the supervisor makes his visit. Please impress upon your trustees the necessity of complete compliance with the legal requirements if they are to secure all or any of this conditional aid.

To the end that parents, teachers and children of the rural schools may all be justly proud of their new and improved schools will you, as leader of the rural school energies of your county, do all in your power to see that the several communities and the children get a PERMANENT benefit from the expenditure of this aid.

Most sincerely yours,

### Hondo High Defeated.

After six challenges to San Antonio teams, Superintendent Bowell finally succeeded in obtaining St. Anthony College to play the Hondo High's football team last Tuesday Nov. 11. The San Antonians expected an easy victory but they got a hard run.

Her, for St. Anthony, played their whole game, making their three touchdowns, kicking goals, punting, and running with the ball in four out of every five plays. Being an old hand, he knew the game in every phase, and ran with the ball on trick and straight plays time after time. His side-stepping and stiff-arming were great, and St. Anthony's punting plays continually kept the high-school boys guessing, but they played the San Antonians their hardest game of the year. Fly and Carter made Hondo's two touchdowns. The accounts of the game in last Thursday's San Antonio papers explain the game from a specific, as well as a scientific, standpoint. Hondo was given much credit because she scored twice on St. Anthony and kept the college boys to a win by seven points.

Hondo had an extremely hard proposition in playing St. Anthony, for one of her best backs was out, and the other three were not in any sort of condition to play. Haralson, a new student, was very unlucky by being severely hurt in the first quarter, and his support would have undoubtedly won the game. But the team, nevertheless, went into the game with the old spirit, and showed that they would "rather put up a good loss than a bad win". In fact, we had the college boys out-classed, but they had us out-locked, and consequently won.

A joint stock association began drilling last week with brand new machinery and equipment on 2000 acres, all in a square block just 15 miles east of Houston on Cedar Bayou, in Liberty county, Texas.

This is a wildcat gamble pure and simple and you have more chance to lose than you have to win.

We haven't got any salt domes nor escaping gas, nor asphalt on top of the ground and we have not hired any petroleum geologist to write any high flown big word report to deceive you into investing your money with us with the idea that you have got a cinch on getting rich.

Thus surrounded by these famous fields which have and are now producing millions in oil, we offer you this stock as a good gamble for a small amount of money to make a big speculation.

TAKE

## CARDUI The Woman's Tonic

You can rely on Cardui. Surely it will do for you what it has done for so many thousands of other women! It should help. "I was taken sick, seemed to be . . .," writes Mrs. Mary E. Veste, of Madison Heights, Va. "I got down so weak, could hardly walk . . . just staggered around. . . I read of Cardui, and after taking one bottle, or before taking quite all, I felt much better. I took 3 or 4 bottles at that time, and was able to do my work. I take it in the spring when run-down. I had no appetite, and I commenced eating. It is the best tonic I ever saw." Try Cardui.

### Constipation.

Most laxatives and cathartics afford only temporary relief and should be used only for that purpose. When you want permanent relief take Chamberlain's Tablets and be careful to observe the directions with each package. These tablets not only move the bowels, but improve the appetite and strengthen the digestion.

### Schott-Tschirhart.

A wedding of very much interest in our community took place Tuesday morning at 9:00 o'clock in St. Louis Church. It was that of Mr. Joe Schott and Lucille Tschirhart. Rev. A. Hechmann performed the ceremony.

To the strains of Lohengrin's Wedding March, Mrs. Wm. Schott, as matron of honor, passed up the aisle. She was followed by the bride who entered on the arm of her father, Louie Tschirhart, who gave her in marriage. The party was met at the altar by the groom and his best man, Aug. Schott. The other attendants were, Eya Marty, Rudolph Tschirhart and Miss Clara Kempf, Archie Jagge and Miss Edna Sitte, little Miss Ella Bippert was ring bearer.

After the ceremony, the party prepared to the home of the bride's parents, where a grand reception was held and at night a grand dance was given in their honor.

Mr. and Mrs. Joe Schott will make their home near Biry where a new bungalow awaits them.

### What Would You Do?

In case of a burn or scald what would you do to relieve the pain? Such injuries are liable to occur in any family and everyone should be prepared for them. Chamberlain's Salve applied on a soft cloth will relieve the pain almost instantly, and unless the injury is a very severe one, will cause the parts to heal without leaving a scar.

### L. Wm. Menger.

L. William Menger, 67 years old, a life-long resident of San Antonio, died Sunday night at the Santa Rosa Infirmary after a short illness. He was a member of one of the city's oldest families, his grandfather coming here when San Antonio was a small Mexican village, numbering only four white families.

For the last 27 years Mr. Menger has been general manager of the Southern Messenger, the largest Catholic newspaper in the South, and the official organ of the Knights of Columbus in the state. He was well-known throughout Texas and in many of the adjoining states. His father brought the first steam fire engine to San Antonio and the son served as a volunteer fireman in the early days. He was graduated from St. Mary's College in San Antonio and from Georgetown University in Washington, D. C.

Mr. Menger is survived by a widow, 3 sons and 4 daughters, of which two are Sisters of Divine Providence.

The funeral took place from the home of the family on Bonham Street Wednesday morning, with services in St. Joseph's Church. Rt. Rev. Arthur Jerome Drossaerts, bishop of San Antonio, officiating.—S. A. Light.

### This Means You.

When you get up with a bad taste in your mouth, dull tired feeling, no relish for food and are constipated, you may know that you need a dose of Chamberlain's Tablets. They not only cause an agreeable movement of the bowels, but cleanse and invigorate the stomach and improve the digestion.

### Haby Schorp.

Mr. Rudolph Haby and Miss Agnes Schorp were married in St. Joseph's Church in San Antonio at 6:30 Tuesday morning. The attendants were Miss Isabella Haby and Mr. Rob. Haby. After the ceremony the young couple took the train for Colorado and other points of interest. Miss Agnes is the only daughter of Mr. Louis Schorp, while the groom is the oldest son of Mr. and Mrs. Joe Haby and recently returned from overseas where he was with the famous 90th Division. On their return from the wedding trip they will be at home at Riomedina.

### In Memory of Mary Obets.

Another little lamp has gone. To dwell with him who gave Another little darlin' made Was shelter in the grave. God needed one more angel child Amidst his shining band, And so he bent with loving smile And clasped her darling hand. They had a little treasure once. She was their joy and pride. They loved Mary, Ah! perhaps too well, For soon she slept and died. All is dark within their dwelling Lonely are their hearts today. For the one they loved so dearly, Has forever passed away.

A FRIEND, M. H.

Members of the "Union of Russian Workers" have been arrested lately. According to seized literature in their possession they planned an overthrow of our government through a general strike. They also wanted "everything wiped from the earth that is a reminder of the right to private ownership of property" and looked forward "to the magnificent beautiful form of a man without a God, without a master and free of authority."

Our guess is that if people ever consent to buy eggs by the pound the dealers will find a way to thicken the shells.

### A Good Cough Medicine for Children.

Mrs. J. W. Phillip, Rebon, Ga., phoned to J. M. Floyd, the merchant there, for a bottle of Chamberlain's Cough Remedy and said she had bought a bottle of it at his store recently, and that it was doing her children so much good that she wanted to keep up the treatment. You will find nothing better for coughs and colds in children or for yourself. It keeps the cough loose, expectoration easy and soon frees the system from the cold.

Probably the best way for a bride to tell when the honeymoon is over is to notice when he begins kissing her as if she were lathered for a shave.

It is a mystery where all the mice are coming from. Maybe it is a new kind of propaganda.

## INDIGESTION

If you are ever troubled with indigestion, Chamberlain's Tablets will do you good. They strengthen the stomach and enable it to perform its functions naturally. There are hundreds of people who have been restored to health and happiness by the use of Chamberlain's Tablets. When you feel dull and languid after eating you may know that your digestion is faulty, unless you have eaten more than you

should. Belching, sour stomach and bloating are symptoms of indigestion and are relieved by taking Chamberlain's Tablets as directed. Indigestion is usually accompanied by constipation and is aggravated by it. Chamberlain's Tablets cause a gentle movement of the bowels, relieving the constipated condition. Chamberlain's Tablets are also most excellent for biliousness. Sold everywhere at 25c.

### Sick Headaches.

This distressing disease results from a disordered condition of the stomach and can be relieved by taking Chamberlain's Tablets.

These are difficult days for Mr. Gompers, the president of the united working men. He has no better success in settling strikes after they are called, than in keeping them from being called in the first place.

### Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure sent for circular, free. F. J. CHENEY & CO., Toledo, Ohio. WALK MILES TO  
TALK ABOUT IT.

Woman Says She Gained  
Pounds by Taking Tanlac.

I am so grateful for the relief I have gotten by taking Tanlac that I willingly walk twenty miles to tell other sufferers this medicine has done for me. Miss Adela McCall said Miss Adela McCall of 424 Sixth Avenue, Tenn. suffered for about eight months from nervous prostration, she continued, "and getting worse in spite of everything I could do. I had no appetite and after eating anything I would turn cold like a piece of ice. I would not turn cold the next, and I was so nervous I could hardly sleep at all and lost sixty pounds. I tried several different medicines without getting any relief. My brother got me a bottle of Tanlac and I started taking it. By the time I had finished my second bottle my appetite began to improve and my troubles were greatly relieved. That burning sensation disappeared from my stomach. The nervousness is gone. I am like a child and I have gained twenty-five pounds in two weeks. Druggists sell Tanlac."

Miscellaneous Shower.

Della Koch entertained Thursday evening from 3:30 to 6:00 o'clock. Miscellaneous Shower, in honor of Della Fillman. The parlor and dining-room were lavishly decorated with white chrysanthemums and ferns. Refreshments, consisting of ices, cake and hot chocolate, served, the honoree was handed a heart, and each guest was a piece to try to mend the heart. Chas. Finger was the lucky one to have the honor of leading the dance to a table where awaited a beautiful array of useful gifts. Present were: Misses Lucille Daniel, Lurin Decker, Clara Deckert, Elsie Rothe, Mesdames Finger, Felix Batot, John Finley, Richter, Robert Zerr, Fritz Koch, Chas. Fillman, Ben Oefin, Joe Ney, John Koch, the honoree's guests.

The rooms were artistically decorated in the national colors of America, Great Britain and Italy respectively. Several games of "42" and "Rook" were played, while Misses Nell Wilson, Mary Powell and Mrs. H. G. Henderson rendered a number of pretty vocal selections. A late hour delicious refreshment, consisting of a salad course and cake were served.

The Climax.

From the land of grassburrs they came. They brought along with them that sandy determination to upset Hondo High's bright football aspects and outlooks, but fate had severe cards to deal Pearsall last Saturday, November 8th, when she ran up against the local high's combination.

To go into details about the game would be a repetition of many start-ling and wonderful plays for Hondo, and also it would be the same story, over and over, about Pearsall's vain and futile attempts to stop the onrush of the Hons. Hondo had the ball eleven-tenths of the time while Pear-sall had it the rest. When the local boys possessed the pigskin, they did not waver or hesitate an instant un-til a score was captured, but, when Pearsall had the ball, they stopped on-ly long enough for Hondo to take it away from them, and then they would also march toward the goal, but un-fortunately, they had the bad habit of marching backwards. The Pearsall boys fought furiously to pierce our line or escape around our end, but they did not use the right tactics in the right way. At the first instant the developed team of Prof. Newton's rushed, and they mortally kept on rushing until the final whistle blew. One time, during the second quarter, Hondo attempted one of her many beautiful and clever trick plays, but owing to a freakish fumble, which happens once a century, a Pearsall player, quarter-back Salmon, recovered it, and before either team knew what happened, he was flying down the field, and made the only Pearsall touchdown of the game.

Adding machines were brought to the field and the score of 80-6 was recorded at the end of the game. This score broke the record for Hondo High School in football, the former record being 63-0, made in 1915. But Hondo had to pay some way for her great victory, and it was taken out physically on our team. Every player was blue and sore as could be the following morning. Some Pearsall player slight-ly tapped half-back Heath's knee with a terrific tackle and tore several lig-ments, this probably putting him out of the game for the rest of the season—as severe a blow as could be dealt our team. Quarter-back Fly had his ankle badly wrenched, and full-back Carter had his spine abused severely, while somebody tickled Captain Wil-son's ribs and he is still walking side-ways and laughing on the wrong side of his mouth.

You Do More Work.

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness. GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value. GROVE'S TASTELESS CHILL TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood. The Strength-Creating Power of GROVE'S TASTELESS CHILL TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS CHILL TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same to-day, and you can get it from any drug store. 60c per bottle.

Another thing that ails this country is that there are too many psycholo-gists and not enough farm hands.

Convincing Testimony.

Given By Many Hondo People.

Experiences told by Hondo people. Those who have had weak kidneys—Who used Doan's Kidney Pills—Who found the remedy effective—Such statements prove merit. You might doubt an utter stranger. You must believe Hondo people. Here's Hondo proof. Verify it. Read. Investigate. Be convinced. You'll find why Hondo folks believe in Doan's. Joseph Mechler, Hondo, says: "I can highly recommend Doan's Kidney Pills for I know they are good. I was taken with a severe backache and had sort of a dull pain in my kidneys day and night. When I would stoop over I could hardly raise up again. My kidneys didn't act right and I had to get up at nights on this account. A friend told me about Doan's kidney Pills so I used them and was helped from the first. Two boxes of Doan's made my back as strong as iron and made my kidneys act like clock work." STAMPS

FRANK M. SMITH  
Federal District Director

Between Sunday, November 9th, and Sunday, November 16th, every person in Texas is called upon to save not less than \$10.00 and invest it in Government War Savings Stamps. By special arrangement it has been made most convenient for all persons who desire to avail themselves of the privilege to purchase the wonderfully attractive new \$100 and \$1000 Registered Treasury Savings Certificates from their banker or postmaster.

"This period from November 9th to November 16th, is the first anniversary of the Great Victory which was won for us by our American soldiers just one year ago. Every person who appreciates this victory, every person who is a real American and every person who recognizes that he ought to save for himself, as every intelligent man and woman does, should celebrate the Great Victory and honor our heroes by purchasing War Savings Stamps and Registered Treasury Savings Certificates," Frank M. Smith, Federal District Director, of the Treasury Savings Division, announced today.

"Knowing that the people of Texas--every man, woman and child of them are loyal Americans and that they all recognize it is the intelligent thing, the right thing and the necessary thing to save, I, therefore, confidently call upon them to celebrate wisely, patriotically and intelligently the great Victory Savings Week, as our Government requests us to do.

"Texans, I ask you during this Victory Savings Week to do honor to the men who gave their lives for you and who now moulder in Flanders Fields. The Government has indicated to you how it would have this week observed.

"Texans, let us who dwell in the great Blue Bonnet State each do our duty to the fullest of our ability! During Victory Savings Week from the 9th of November to the 16th of November, make your investments in Government War Savings Stamps and the new Registered Treasury Savings Certificates. By your action do honor to our heroes and in honoring them lay away funds for your pleasure and your needs."

Made to meet your taste, Camels never tire it, no matter how liberally you smoke them! The expert blend of choice Turkish and choice Domestic tobaccos makes Camels delightful--so full bodied, yet so fascinatingly smooth and mellow-mild. Every time you light one you get new and keener enjoyment!

Freedom from any unpleasant cigarette after taste or any unpleasant cigarette odor makes Camels as unusual as they are enjoyable.
